

## Fell Pony Society Performance and Youngstock Points Awards 2013

Once again there has been a good entry in most sections with the exception of the Junior Members and Driving. I am sure that there must be plenty of people out there taking part in events, so come on folks, get a points card and join in. All types of events count towards your points, if you are unsure just get in touch – phone, email, letter or the dreaded Facebook – I am fairly friendly so don't be shy!

There were a good number of new people taking part this year, which is always good to see. The youngest is only five and she gained a very creditable 500 points with her pony, taking part in Pony Club activities. Several people also seem to be trying their hand at Le TREC – Fells seem to be very suited to that particular discipline.

Well done to all those who took part in 2013, and Good Luck to those having a go this year.
