

## NOMINATIONS FOR COUNCIL ELECTIONS

Nominations must be received by the Secretary by 1st January 2000. They must be in writing and signed by two members. *Members are not eligible for the Council unless they have been full members of the Society for at least five consecutive years.*

## TEACH IN DEMONSTRATION CANCELLED

Due to lack of support, the Teach In Demonstration at Greenlands on October 2nd has been cancelled. This is extremely disappointing, maybe the event was advertised too far ahead, if you would be interested in being informed of activities during the course of the summer, on a reminder and information basis, please drop me a line and I will send you a flyer informing you on scheduled events. As this information will not necessarily appeal to all members, only those contacting the office by post with a s.a.e. will be notified. Just mark the envelope in the top left hand corner

# COUNCIL MATTERS

## *Recent Council Decisions - New Regulations*

At the Council Meeting on 17th August 1999 various decisions, having been discussed at length and in depth were agreed. All decisions received 15 votes in favour with only 2 abstentions on one of the proposals.

The Decisions were:

### **A) Daughter Societies - Exportation**

All ponies sold after 1st October 1999 for export will need to have DNA samples taken from the pony and both parents. The DNA samples can be collected by the breeders/owners and the results are usually analysed quickly.

Therefore, ponies being exported from this country will need Parent age Confirmation Certificates before leaving the UK. Otherwise, they will not then be recognised by the FPS Mother Stud Book.

It is the responsibility of the vendor to inform the purchaser about the Society rules, in case the purchaser is not knowledgeable of such rules. It is then totally the responsibility of the purchaser to make sure that our rules are complied with before each pony is exported from the UK. Transfer certificates will be amended with this information. Ponies sold before 1/10/1999 but not being shipped abroad until later this year will only need to DNA test the pony itself. This is to allow the vendor to add the expenses onto the purchase price.

**B) Identification**

All filly foals are to be DNA tested from next year. Colts will be done at the time of licensing as already exists. The cost of the first three filly foals to be DNA tested will be born by the breeder. Thereafter the FPS will pay for additional filly foal tests. Such DNA tests are to be done before the foal is weaned from it's dam.

**C) Random Testing**

It was agreed that random DNA testing of ponies to check their parentage would be appropriate to the Fell Pony Society. The detail of such random sampling is yet to be clarified.

The Regulations of the Society as issued in January 1999, with regard to these decisions, will be reviewed and issued with appropriate amendments in due course. Clarification of these procedures can be explained by consultation with the Society's Secretary.

## MOUNTAIN AND MOORLAND AUCTION SALE

All vendors must complete a Certificate of Transfer form in respect of each pony being sold to be handed in with the Registration Certificate to the Secretary **before the sale begins.**

Most of the foal documents have been returned to the owners, but any outstanding ones will be taken straight to the sale.

Penrith Farmers & Kidd's plc at Skirsgill Agricultural Hall will have the catalogue of ponies entered in this year's auction available ten days before the sale which is on 22nd October.

Catalogues can be obtained from Penrith Farmers & Kidd's plc, Agricultural Hall, Skirsgill, Penrith, Cumbria CA11 0DN.

The pre-sale judge this year is Mr J Bell of Waverhead.

### SALES AND EXHIBITIONS

Due to the illness of Mrs Molly Laing, Peter and Pauline Forsman have taken over the responsibility for Sales and Exhibition. Some new merchandising lines have been purchased and proved so popular they have had to re-order already. The new lines were also in great demand with the Southern Members at the Southern Breed Show. Some new display ideas were used for exhibition purposes, and they have been well received. Further plans are afoot for next year, and even more importantly the stands at shows this year have been very profitable and well worth the work that has been involved. Thank you very much to Peter and Pauline, also for their valuable removal techniques over the summer! During the winter more Desk Top Publishing and archieving will be tackled, ready for more visual displays next summer.

## STALLION AND COLT SHOW 1999

The Annual Stallion and Colt show was held on Saturday 15th June, at Dalemain, Ullswater by kind permission of the McCosh Family. ## SPRING PERFORMANCE TRIALS

Despite the rather grey cold day that dawned at Linnel Wood, the welcome was as warm as ever and everyone had a thoroughly good time, with kisses and hugs all round from one competitor in particular, no names mentioned Louise! The Charltons and the Allens and families and all the fence judges worked well and this year there was a refreshment van, but next year we are aiming for our own "catering arrangements".

## MOUNTAIN AND MOORLAND COMPETITIONS

The Forsman family hosted the Mountain and Moorland Qualifiers at their home Barnend, Sockbridge, Tirril, Penrith, the undulating course was ideal for holding a Working Hunter Pony Competition, and Peter had manfully built the course whilst recovering from surgery and then went on to be official photographer!

### FANCY ORIENTEERING !

Was this a question or a description?

This was the heading on the advertisement Peter Forsman put in the Breed Show Tent this year, and about 10 people did!! Peter organised his orienteering day, with a bit of help from Pauline of course! and Barry and Cath Allen. Everyone thoroughly enjoyed the day, three members who could not transport their ponies this far, hired ponies from a nearby trekking centre to take part - how's that for support! Everyone is clammering for another next year, so I gather one is to be organised and advertised in the Spring newsletter (and the midseason 'flyer).

Congratulations to Rachel Brunskill who did well this year, and Julia Forsman, a very impressive time of 2 hours, 53 minutes and 3 seconds!

# THE FELL PONY SHOW AT LOWTHER 1999

*Prize money kindly sponsored by Mr A Hewetson, Borderman Trucks Ltd, Penrith  
Flowers for the Stand kindly sponsored by Mr K Graham, Caterite Foods, Keswick.*

*Judges: Mrs D E W Edwards (in-hand) Knock, Appleby, Cumbria  
Mrs S A Clark (ridden), Haddington, East Lothian, Scotland*

Well what can we say about Lowther this year, to have that wonderful turn out of Fell Ponies for our Patron Her Majesty The Queen was so special. Her Majesty thoroughly enjoyed the Show and the atmosphere was wonderful. The rain certainly did not dampen the spirits. The parade in the main arena was stunning, and is still a talking point, the ridden fellers enjoyed their gallop of honour equally as much as their riders, and to do it not just once but twice was magic, maybe that summed up the whole day - JUST MAGIC!
