## IMPORTANCE NOTICE – PLEASE READ

### Westmorland County Agricultural Society Ltd Equine Influenza Policy

Horses must have been vaccinated to comply with the requirements of the primary course (1<sup>st</sup> vaccination and then 2<sup>nd</sup> vaccination between 21 – 92 days later), followed by the first booster (150 – 215 days) and all subsequent boosters. Horses may compete having received the primary course and prior to first booster but not within 7 days of receiving a vaccine dose.

Horses must have been vaccinated within 12 months before the show but not less than 7 days of arriving at the show.

### Foals

In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born. Foals should be vaccinated for Equine Influenza at 6 months to commence their primary course.

We urge all owners to adhere to strict bio-security protocols at all times.

Please note that neither vaccination certificates nor passports should be sent to the show office or the FPS office prior to the event.

**However, random checks will be carried out on show day.**

**Passports/vaccination records must be made available if requested, failure to do so will result in immediate dismissal from the show ground.**
